November 30, 2014 – First Sunday in Advent – BE PREPARED!

What is the greatest hope in life? Why don't many people realize their hopes and dreams?

Between immediate gratification and long-term goals lies anticipation, the spirit that gives purpose to our daily routines. We postpone today's pleasures to await something better. While we may not change our day to day lives in the short term, focused patience will help us achieve our goals in the long term. Anticipation requires persistence and vigilance.

What do we anticipate at the holidays? Quality family time? More toys? Or, something greater? The coming of the Lord.

Go to www.word-sunday.com for in-depth information about today's readings.
